

To: Superintendents and Principals

From: Stephen Balko, Director of School Building Security

Date: November 20, 2020

Subject: New Safety Training Opportunity

The Division of School Building Physical Security and Safety is happy to announce the development and availability of school safety training opportunities for school staff who are not a part of the Indiana School Safety Specialist Academy. This course consists of foundational school safety classes with the availability of earning professional growth points. To access the course:

- Log in or create an account at moodle.doe.in.gov
- Search for “Safety Training for Non-School Safety Specialists”
- Enter the enrollment key “safety2020”

If you are interested in becoming a certified school safety specialist, please visit:
<https://www.doe.in.gov/safety/basic-level-training> for more information.

Please contact Stephen Balko at 317-232-4914 or e-mail at sbalko@doe.in.gov with any questions.
